

## Freshman Class

Goals: Start WAHI with a positive experience, know where to go for help, understand the differences between high school and middle school. Start understanding how decisions now impact post-high school plans.

Dates	Topic
Fall	Welcome to Wa-Hi! Students will also get an overview of campus student services. Know where to go to get what you need!
Winter	First semester reflections. What worked, what didn't, what's a GPA and what do I do now? Explore career paths by school subjects. Find out what you like and how to use it.
Spring	Registration for next year! Use 4-year planning tools to choose and register for classes you will need to be successful.

## Sophomore Class

Goals: Create short/long term goals, make positive progress towards graduation and high school and beyond planning. Get involved with your school and start making decisions about college and career options. Align high school course selection to career/college plans.

Fall	How to be successful in High School. Find out what resources Wa-Hi has to help you be successful.
Winter	Registration for next year! Use 4-year planning tools to choose and register for classes you will need to be successful.
Spring	Show me the money!! Find out how much college might cost you and how to be prepared for it.

## Junior Class

Goals: Understand college/career options and requirements. Exploration and development of goals/action plans for high school and beyond based on self-awareness and self-evaluation. Find out how and where to get help and develop an understanding of college/career testing requirements.

Dates	Topic
Fall	College and Testing. Learn about what test you will be taking to get into college and why? Find out more about what scores mean and what can you do to make sure you are ready. Sharpen your pencils-this is about to get serious!
Winter	Registration for next year! Use 4-year planning tools to choose and register for classes you will need to be successful and make sure you are on track for 2019 graduation day!
Spring	Don't break the bank! Find out how your college fit stacks up when it comes to your piggy bank.

## Senior Class

Goals: Beyond high school planning takes on real-time action; understand pacing of task and deadlines using campus resources.

Fall	Graduation check in and 5 <sup>th</sup> year planning. You are going to need more than a robe and a funny hat to make that walk! Make sure you are on a path to a diploma and build your plan for your year after high school. Find out about resources right here at your school designed to help you.
Fall	College Application Campaign. This is your chance to apply for colleges and universities with help from admission officers. College representatives from across Washington State will be in your classrooms to walk you through the college application process.
Winter	Is it feeling real yet? Apply to WWCC, write a resume, learn how to apply for financial aid and scholarships.
Spring	Senior signing day: prepare for your day to tell your fellow students and parents your plans for after high school.
