- **Stanford Mentors Summer Program for Students**

Organized by Stanford University undergraduate and graduate students, Qualia Global Scholars is a selective pre-collegiate virtual summer mentorship program matching talented students in grades 6-12 with Stanford mentors. The program features personalized mentorship, interdisciplinary research, project-based learning, and guidance on college applications. The program aims to empower students to become future global leaders by teaching them about leadership & problem solving, emerging areas in STEM & liberal arts, critical thinking & communication skills, and real-world impact through research & innovation. Applications are reviewed on a rolling basis. Need-based financial aid is available for the program. Flyer with program info linked [here](#)
