NEW TODAY:

- Rooter Bus to Kennewick**

Hey, blue Devil family!

We have a chance to take a rooter bus to the basketball game this Friday, February 2. We have to have 40 students signed up by Friday morning at 9:00 in order to go. It's a really big game for both the boys and the girls varsity teams, so we'd love to have you join us. Please fill out this [form](#) with your parents *Parent permission is needed.

Wear your blue devil gear and bring all your spirit.

*Rooter bus is free, but students are responsible for admission into the game (about 5 dollars) and any concessions they'd like to purchase while there.

*Bus leaves at 4:00pm from the big gym parking lot and will return to Wa-Hi after the Boys Varsity game (10:30pm).

REMINDERS:

- Friday Feb 2nd:** Early release schedule

- LOST AND FOUND:**

The main office has many lost and found items: coats, hats, gloves, water bottles, etc. If you've lost something, stop by the office and see if we have it!

- The Health Center (THC) at WaHi offers Medical services during school hours.** We work in conjunction with the WWPS WaHi Health Clinic. They triage students and send those who might

benefit to THC. Our Registered Nurse can evaluate and complete rapid testing if warranted. Over the counter medications for cold symptoms, headache, rashes, pain, cramps, and stomach issues are available. These simple measures often allow students to miss minimal class time and finish the school day. Appointments can be made via the contact info below, but walk-ins are also welcome. If you notice a student who may need these services during school hours, feel free to send them our way! [Parent Permission](#) is required for students younger than 18 years old. If not already in place, we can obtain permission when the student comes in.
